

FOR IMMEDIATE RELEASE November 2009

## **BLUEBOY DOCUMENT IMAGING CELEBRATES 20 YEARS IN EXCEEDING CUSTOMERS GOALS & OBJECTIVES**

**This is done by offering every method and technology solution available, to achieve their Customers Goals & Objectives.**

**The way Blueboy accomplishes this is by providing complete Copy, Print, Scan, and Document Management Services for their Customers.**

**Blueboy caters to the Architectural, Engineering & Construction Communities as well as Professional Organizations and Governmental Agencies.**

**WASHINGTON, D.C. (November 2009) ---** Everything that is done at Blueboy Document Imaging is established to exceed Customers Goals and Objectives. They do this by using every method and technology solutions available for their Customers benefit. The way Blueboy achieves this is by providing Copy, Print, and Scanning Solutions that gives their Customers the freedom to do more important things with their time and spend less time worrying about their print orders.

Established in 1989 by Hiram O. Russell, an architect by profession, Blueboy Document Imaging has become the Washington, D.C., area's premier full service copy, print, and scan center for these reasons:

- ⌚ Exceeding Customers Goals
- ⌚ Providing Methods & Solutions to exceed Goals
- ⌚ Jobs completed accurately, fast & on time
- ⌚ Providing Customers Peace of Mind
- ⌚ Giving Customers More Time, More Freedom, More Rewards and More Success.....

“We're excited about reaching this 20-year milestone. Everything we do and believe at Blueboy is done, not only to meet Customers Goals & Objectives, but to exceed them.” said Mr. Russell. He also adds “, we do this by offering our Customers methods and technology solutions that will make them successful on their Projects, thus our Customers get the rewards that comes with being successful.” At Blueboy they are always looking at ways to improve their services, such as expanding their digital printing technology, the creation of a Customer Focus Department, staff development, training, and more. Finding new ways of maintaining and satisfying their customers is Blueboy's belief and daily goal.

Blueboy Document Imaging provides a complete selection of copy, print, and scanning services, including:

- ⌚ Construction Document Copying
- ⌚ Document Copying
- ⌚ Document Scanning
- ⌚ Posters / Banners
- ⌚ Flyers / Brochures
- ⌚ Business Stationary
- ⌚ Online Document Management
- ⌚ CD and DVD Duplication
- ⌚ Pick-Up And Delivery

Blueboy Document Imaging is also ***certified*** with many governmental agencies that require experienced certified businesses to participate on projects.
